

Code of Practice for Regional Providers of Assessment:

HLTA North has responsibilities in the following areas:

Assessment to ensure that:

- All aspects of the assessment process are managed efficiently and effectively in accordance with HNAP guidance
- There are sufficient competent assessors in the regions
- The performance of assessors is monitored and developed

Moderation to ensure that:

- A quality management system is in place to ensure that all assessments are carried out with rigour and accuracy
- Regular HLTA North moderation events take place involving experienced moderators able to make consistent and appropriate decisions about candidate outcomes
- Senior personnel are available to attend moderation events in other regions and agreement meetings between peer moderators
- The region participates in HNAP audit activities

LA Support and Key Stakeholder Relationships to ensure that:

- LAs and other stakeholders have a point of contact for HLTA related queries

Contributing to the HNAP H(LTA National Assessment Partnership) to ensure that:

- A senior representative of HLTA North attends regular HNAP meetings
- Other key RPA personnel are involved in HNAP activities as necessary
